

Graduation Requirements

Two graduation pathways are available to students at Queen of All Saints Academy:

A standard pathway, the 24-credit standard diploma, aligns to the minimum credit requirements for graduation set by the State of Florida.

A more rigorous course of study, the 24-credit honors diploma, is recommended for students that plan to apply to competitive universities.

Transferring Credits

Credits earned while attending another high school may be transferable. An official transcript will be required for the transfer of credits. Queen of All Saints Academy reserves the right to decline the transfer of credits.

Physical Education Credit

The physical education credit with the integration of health is not calculated in the Grade Point Average. For those students who do not attend the campus school, Queen of All Saints offers a Physical Education program. While enrolled, students pursue their physical activity independently and submit a contract and log of their activity on a monthly basis.
