

QUEEN of
ALL SAINTS

Student Sign On

iPad use

Most of the student iPad applications use Microsoft single sign on.

This means that they use the same username and password for:

iPad iCloud login, Canvas, QAS Academy App

The student's username and password information can be found on the lock screen of the iPad for easy reference.

Password combination

The password combination is the following formula:

Capitalized first name initial/period/lowercase last name initial/Student ID

For example, the password for the student below would be T.s1014U.
